Superintendent

Sir,

Notwithstanding our repeated protests against the inferior quality of some of the Kansas Co's Silver bars, we have just received a lot, N^o 142, of these bars, of which Nos 8, 9, 10, 11, 12, 13 (= 6 bars) are in such a condition that we should not receive them. I therefore recommend that the Mint ^{*}reject them.

Very respectfully
